CIRCULAR No.12

Sub: Full Utilization of funds - Reg.

Instructions have been received from the Council regarding the full utilization of funds released during 2025–26 under the NAIF, CRP on Natural Fibre and other ICAR-funded projects. In case there is any possibility of non-utilization of funds within the current financial year, the same must be intimated to the Headquarters before March 09, 2026.

Accordingly, the concerned Principal Investigators (PIs) are requested to review and plan the utilization of the available funds within the next two days. If any amount is likely to remain unutilized, the same may be intimated immediately so that it can be reported to the Council in time.

Further, PIs are advised to plan and expedite the expenditure properly to ensure timely utilization of funds and to avoid any administrative or financial complications arising from last-minute rush.
